My Personal Review:

Life is triage. We all must choose how to do the most in a short amount of time. A Student's Vocabulary for Biblical Hebrew and Aramaic helps by presenting the words used most frequently in the Hebrew Bible. Using this book, students of Biblical Hebrew can learn first the words that they most need to learn. If only other tasks in life came so splendidly prioritized!

If you are interested in a similarly prioritized audio vocabulary builder for Biblical Hebrew, consider Old Testament Hebrew Vocabulary: Learn on the Go. Learning by reading differs from learning by hearing, so you may find it most productive to use both products concurrently. For a somewhat prioritized audio vocabulary for Modern Hebrew, consider Vocabulearn Hebrew: Level 1 (Language Power), Hebrew/English: Level 1: VocabuLearn: Original Format, Vocabulearn Hebrew Level 1 (VocabuLearn), or VocabuLearn: Hebrew, Level 1 (all four different formats of the same basic product).

All these products are variations on flashcards. For more conventional paper flashcards (also prioritized), consider Old Testament Hebrew Vocabulary Cards (ZONDERVAN VOCABULARY BUILDER SERIES) or Biblical Hebrew Vocabulary Cards or Modern Hebrew Vocabulary Cards: Academic Study Card Set.
